Request to Allow WSU Course Credit – and to Omit AP Credit Already Awarded

From Rule 15: Credit by Examinations:

Students may request to take a course at WSU for which they have been awarded AP, IB, CIE or CLEP credit. Prompted by the request, the AP, IB, CIE or CLEP credit is removed from the overall credits awarded by WSU. Only the subsequent enrollment in the WSU course will contribute to the total hours earned and grade point average; the AP, IB, CIE or CLEP credit cannot be reconsidered for credit for the same course again. Students submit the request to ask for the WSU course to be allowed and for the AP credit to be omitted to the Pullman campus Registrar's Office.

WSU Course to be Allowed:

Term and Year	Course Subject and Number	Class Section Number (include lecture and lab)
<i>example: Fall 2015</i>	<i>STAT 212</i>	<i>Lecture 2, Lab 15</i>

I hereby request that the AP, IB, CIE or CLEP credit that I have been already been awarded be removed, and that the WSU course be allowed. I understand that my request is final, that my AP, IB, CIE or CLEP credit cannot be re-awarded for the same course, and that the grade that I earn in the WSU course will stand.
