MAJOR CURRICULAR CHANGE FORM – COURSE REVISIONS

Major Curriculum Change requests are broken out into 4 separate forms, each with its own link. Please make sure to the appropriate link has been chosen.

- **New or Restore Course form:** [https://registrar.wsu.edu/forms/new-restore-course/](https://registrar.wsu.edu/forms/new-restore-course/)
- **Major Course Revision form:** [https://registrar.wsu.edu/forms/course-revision/](https://registrar.wsu.edu/forms/course-revision/)
- **New Requirement form:** [https://registrar.wsu.edu/forms/major-curricular-change-form-requirements-new/](https://registrar.wsu.edu/forms/major-curricular-change-form-requirements-new/)
- **Requirement Revisions form:** [https://registrar.wsu.edu/forms/major-curricular-change-form-requirements-revise/](https://registrar.wsu.edu/forms/major-curricular-change-form-requirements-revise/)

**Important Notes:**

Minor course revisions may be done directly on a Minor Change Form and do not require committee reviews when no major changes are requested:

- **Title, prerequisite, and/or minor description revisions.** No significant changes to course.
- **Decreasing credits, or repeat credits.**
- **Removing and dropping a crosslist.**
- **Dropping a conjoint listing and dropping the undergrad or grad course counterpart being removed.** If keeping both parts, will need to use this major change form to make the request to drop the conjoint listing.
- **Dropping UCORE or [M] designators**
- **Cooperative course:** Adding or removing the cooperative course phrase.
- **Dropping a non-service course**

Requests for any of the following must first be routed to the appropriate committees or departments for approval. See Step-by-Step Instructions for more information and procedures.

- **Writing in the Major [M] designation requests**
- **University Common Requirements (UCORE) designation requests.**
- **Special Course Fee requests**

**Saving Work** by using “Save Form” button at bottom of form: When needing to step away, work in progress can be saved without submitting, with the following considerations:

- For each form link: Once saved, cannot start another request for the same link until the current request has been completed and submitted. When opening the link after saving, the information in progress will appear on the form for current un-submitted request.
- A separate form link for another curriculum change category (see first paragraph) can be opened and worked on while saving work in progress on another form link.

**Step-by-Step Procedures for Major Course Revisions**

1) **Log in** using your WSU network ID and password.

2) **Future Effective Date:** Enter the date (term/year) the revised course would be effective and available once approved. This must be a future date.

   a) **Deadlines for curriculum requests:** To ensure completion of the approval process for the requested term effective date, approval for this form from the Chair and Dean/Associate Dean should be received no later than the deadline date. Please consider your departmental and college timelines when submitting proposals. Submissions will be accepted after the deadline but may not receive Faculty Senate approval in time for the requested effective date.

   i) **Deadline for Fall term effective date:** October 1st of the year prior to the requested Fall term effective date for the revised course,

   ii) **Deadline for Spring term effective date:** February 1st of the prior year for the Spring term effective date.
b) **Forms, rationale statements and documentation, and chair and dean approval emails must all be received by the respective deadlines.** Submissions will be accepted after the deadline but may not receive Faculty Senate approval in time for the requested effective date.

3) **Course Typically Offered:** Provide the terms when the course would typically be offered, if known. (e.g., Fall, Spring, and/or Summer; and whether for All Years, Even Years, or Odd Years). This information will be available for students’ use in the “My Planner” tool in zzusis.

4) **Current Course Information:** Pick the current course subject from the drop-down menu, list the current course number, and indicate whether or not this is a crosslisted course.

5) **Requested Revisions:** Check all boxes that apply and provide the requested information. Please note the following:

   a) **Changes to Course Subjects or Numbers:** Course proposals requesting changes to course subjects or numbers **must be substantive** in order to be considered for approval since these changes affect other catalog entries, a student’s advising report, and transfer articulation information.
      
      i) **Revise Subject:** Pick the revised course subject from the drop-down menu
      ii) **Revise Course Number:** Enter the revised course number.

   b) **Revise Credit:** To revise credits for the course, use the format provided on the form after answering the variable credit question.
      
      i) **Provide the credit revision for the course.** The total credits for the course will be automatically calculated based on the credit hours listed for the lecture and non-lecture components. Follow guidelines for contact hours as outlined in the university online catalog at the following link, under the heading “Credit”. See [http://catalog.wsu.edu/Catalog/Content/SummaryofAcademicPolicies.pdf](http://catalog.wsu.edu/Catalog/Content/SummaryofAcademicPolicies.pdf).
      
      ii) **Note:** If this is a lecture only course, only need to check “Lecture” and provided the revised credits. HOWEVER, should one of the non-lab radial buttons get picked, be sure to go back and pick “No non-lecture component”, so it is apparent that the course is a lecture only course.

   c) **Add/Revise/Remove Repeat Credit:**
      
      i) **New repeat credit:** List the maximum cumulative credits that may be earned for this course if requesting repeat credit for the first time, **or provide the revised maximum cumulative credits for a repeatable course to change the hours limit.**
      
      ii) **Remove repeat credit:** Check this box if wishing to discontinue offering this course as a repeatable course.
      
      iii) **Remove cumulative maximum hours requirement:** Check this box if wishing remove the limits on the number of time the course may be repeated.

   d) **Revise Grading:** Pick grading change being requested from the drop-down menu.

   e) **Add/Revise Crosslisting:** **Note:** Departments submitting course proposals requesting crosslisting between departments are assumed to be the owner of the course (i.e., the parent department), and the listed initial course subject/number is considered to be the parent course information.
      
      i) **Pick** the crosslist “child” subject from the drop-down menu, and insert the course number if different. Provide all that apply.
      
      ii) **Child course approvals:** If the proposed crosslisting impacts or involves collaboration with other units, use the additional chair/dean approval lines that appear at the bottom of this form to provide contact information. **Approval emails are needed from each contact for each impacted unit and college.** See “Dean and Chair Approval” section below.
      
      iii) **The crosslist phrase** will be added to the end of the course description. The courses are listed with the parent subject/number first, followed by the child subject(s)/number(s) in alpha order. Example: “(Crosslisted course offered as PARENT SUBJECT XXX, CHILDSUBJ A XXX, CHILDSUBJ B XXX).”

   f) **Add Conjoint:**
      
      i) Courses requesting an undergraduate (400-level) and a graduate (500-level) counterpart must meet Graduate School guidelines which can be found at the following links:

ii) **PLEASE NOTE: A CONJOINT [CAPS] COURSE IS NOT PERMITTED.**

iii) Undergraduate and graduate course numbers MUST have the same last two digits. Example: 435/535. **Please make sure both numbers are available when requesting conjoint status.**

iv) **Rationale Statement:** Conjoint requests must describe in the rationale statement how the additional work required of graduate students will provide additional depth in several of the areas covered in the course and describe how the course will provide for significant time for graduate students to interact with the instructor.

g) **Revise Title:** Enter the revised title being requested.

h) **Revise Prerequisites:**

i) All prerequisites are fully enforced at the time of registration. For questions about prerequisites, contact Becky Bitter at bitter@wsu.edu or 335-4766.

ii) **Graduate courses** cannot list undergraduate courses as prerequisites. However, a recommended preparation phrase or required preparation phrase can be added to the end of the course description if wishing to recommend or require undergraduate courses in preparation for the graduate course. See "Revise Description". Example: "Recommended preparation: UNDRGRD XXX, UNDRGRD YYY." Or, if they need to be required: "Required preparation must include UNDRGRD XXX, UNDRGRD YYY." can be added to the end of the course description.

i) **Revise Catalog Description:** Enter the revised course catalog description. **Note:** The catalog description is used to describe the course in the catalog to prospective students. Please do not use this for course justification.

i) Specialty phrases that can be added to the end of the course description, if applicable, include:

1) **“Field trip required”.**

   (a) If a field trip is a required part of a course, the course description must include this phrase, as well as the details of when and where the trip will take place.

   (b) If requesting a special course fee for a trip associated with the course, this phrase must be included in the course description in order to be approved for the fee.

j) **Other:** Use this box to request a course revision not otherwise listed on the form. See “Important Notes: Minor Course Changes” above before using this box. It may be a minor curriculum change.

6) **Writing in the Major [M] designation:** If seeking the Writing in the Major [M] requirement on an existing course, please first visit http://writingprogram.wsu.edu and follow the instructions for requesting approval for [M] status. Once approved, please provide a copy of the approved Writing in the Major form when uploading documents for Catalog Subcommittee. For more information, please contact the Writing Program at 335-7959. 7) **University Common Requirements (UCORE) designation:** Request to meet University Common Requirements (UCORE): If seeking a UCORE designation or change in UCORE designator on an existing course, you will not use this form. First, please see http://ugr.wsu.edu/ under "For Faculty" for information on how to submit a UCORE course request, then follow the instructions listed there for conversion course (GER to UCORE, or a change in UCORE) or for Established course (Courses without previous GER or UCORE).

a) **Note:** The UCORE form can be used to indicate any additional minor course revision requests (title, prerequisite, or description revisions) by checking the appropriate minor change boxes.
b) If any additional major course revisions are also being requested, it is important that they be included and described in the rationale statement for changes to the course.

c) Once the course is approved for the UCORE designator by the UCORE Committee, the course will be assigned to the Catalog Subcommittee for processing. The Catalog Subcommittee will review the course for both UCORE designator and for other course revisions at the same time following the UCORE process.
